REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our road to "Excellence" continues here at Minnie Hughes with hard work and dedication from everyone: students, teachers, staff and the community! We make every effort to be a model school with paramount success!

In a data-driven instructional environment, the CORE Team and teachers continue to analyze student data in order to provide the most individualized instruction that will assist the students in making progress and acceleration. We utilize research-based programs like Stars and Cars, Wilson Foundations, leveled libraries by Fountas & Pinnell, Voyager and V-Math. We were also fortunate to have a First Grade Academy teacher and Literacy Coach to support our focus on literacy for our students and to maximize instruction in the classroom. Minnie Hughes' staff sailed out into the Positive Behavior Interventions and Support (PBIS) world this year as well; our team did a great job implementing a 'first year' program and the benefits were obvious. Our staff read How Full is Your Basket?, which directly correlates with the positive atmosphere and engagement we are striving for in order to maximize student achievement; some of the staff even got their kids on board making their classes an overwhelming learning space full of positivity!! What a great way to encourage success and life skills!!

Our highly dedicated and talented staff is persistent in seeking out and developing a successful Reading and Writing Workshop in each classroom, as well as incorporating meaningful daily vocabulary lessons. In order to provide the most meaningful learning to our students, the teachers have been equipped with a myriad of tools such as Text Talk, Wordly Wise, ample classroom library sets, the Lucy Calkins writing kits and extensive training on the Common Core; a change we are facing this fall.

Due to numerous budget cuts, we had to be creative in enhancing students' educational opportunities. Through an assortment of grants like the district's Challenge Fund, Farm-to-School state grant and the Literacy Enhancement Program, we are able to boost the educational opportunities of our students.

We close the year with a reflection of service, as we had three educators retiring with over 100 combined years of service! It is this type of dedication, love and stability that we work to maintain daily at Minnie Hughes in order to improve the lives of our students by providing them with an absolutely fulfilling and positive educational experience.
